

Minutes of the 10/15/02 Westside Board Meeting

Dave Sanders opened the meeting at 7:35pm.

The Treasurers report was read. Bob Pattie submitted mailing expenses.

The minutes were approved as published in the Council Reporter newsletter.

WagonMaster Report:

- The 2003 planning meeting is still planned for Ed Lehman's house just after the first of the new year. A proposed field trip listing will be published shortly afterwards.
- A field trip hosting swap with a club in Eastern Washington was proposed. Perhaps with Spokane or Colville.
- The East Kingco club gave Little Naches report on successful 2 day camp out trip. [See report.](#)
- Walker Valley update was given.

Old Business:

- Mineral Council Advocate write up to be clarified that we are looking for representatives as well as input to the objective outline published in the newsletter.

New Business:

- Discussed replacing the newsletter page "What is the WA State Mineral Council" with other articles of interest from time to time now that it has been published for awhile.
- Mineral Council's field trip display case going on loan to the Bellevue show.
- Brewster Club has closed.
- Discussed having programs at Mineral Council monthly meetings to promote representative attendance. Currently, programs are featured at the quarterly meetings but representatives are encouraged to come to monthly meeting as well and become more involved in the Mineral Council.
- Kathy Earnst will develop a mailing list of the club representatives so that an invitation and representative info packet can be sent out.

Meeting Adjourned

Respectfully Submitted,
Norma Kikkert, Secretary
