

2/18/2023 South Skagit Hwy—Jade & Hematite

Across Skagit River from Sedro-Woolley. Tour of Rocks along South Skagit River Hwy. All Stream Bars. Rock hammer & something to carry your rocks in.

Meet at Park & Ride @ Hwy 9 & South Skagit Hwy before 9am. Have gas !

My preferred route is from I-5 take Exit 232 onto Cook Rd East . At RoundABOUTs, exit at all Highway 9 South. Cross Skagit River Bridge to next right to Park & Ride. Meet there before 9am. We will be going East on South Skagit Road. We will be parking along that road, so you will be able to see us if you are late . Have Rock hammer. Strong magnet, wading foot ware, and dress for the weather. For Anderson Ck, you may want a wagon, it is a mile flat walk on log road.
