

**MATTAWA SADDLE MT. PETRIFIED WOOD & MAYBE OPAL**

**06/10/23 9:00 Ed's Cell # (425) 760-2786**

**Shovel—Small Pick—Rock Hammer Food & Liquids Wind Clothes & Sturdy Shoes#  
 ( The opal area is very touchy, either go with a GUIDE. If you must go, stay out of their work area )**

**It is a very good collecting area, don't ruin it by being in their work area !!**

**They won't give you permission as it would be a liability for them , The guide has liability insurance for their protection.**
